

# Conference Sponsorship Options

**Conference Name:** AoC Estates Network: The Compliant Estate

**Location:** Eversheds Office, 1 Wood Street, London EC2V 7WS

**Date:** Monday 20 September 2010

**The Event:** One day conference which will provide delegates with a complete overview on all aspects of legislation and regulations and compliance which impact on facilities, estates, resources and asset management of the College estate.

**Benefits of sponsoring at this event include:**

- Sponsor approved information handed out to all delegates
- Access to an audience of key College staff
- Keep up to date on current College Estates legislation on compliancy
- Two and half hours of dedicated networking time with delegates
- Opportunity to increase awareness of brand name in a sector with almost a quarter of a million staff and 3 million learners

**About the Event:** Leading exponents and practitioners from organisations which support our sector will deliver a series of presentations focusing on key aspects of current legislation and regulations. Delegates will receive essential information, which if complied with, will allow College Principals to sleep easy at night (rather than at Her Majesties Pleasure) knowing that their estates and facilities teams are managing premises and building services correctly, efficiently, safely and in full compliance with the laws of this land and of the European Union. For further information and to download a copy of the programme visit: [www.aocmsevents.co.uk/compliantestate2010](http://www.aocmsevents.co.uk/compliantestate2010)

**Audience:** Assistant Principals, Clerks, Estates Directors and Managers, Facilities Directors and Managers, Directors and Managers of Contracts and Procurement, Project Managers, Energy Managers and Health and Safety Managers and Officers.

We expect to attract 80 delegates to this brand new event and plan to run it as an annual event.
